enjoyed having you so much occupied just now."

Alien forbore to ask if she would have found it any less
enjoyed at any other time.

"I'll do them for you, shall I?" she offered.

"I wish you would," her aunt immediately gave up her
this presence of examining them herself. Then, after a

The stock that Onassis bought in 1952 gave him
complete control of the casino, but involved so much
work that by 1959 he decided to hire someone to take
over the management. He had to let go of the stock
he had bought, but he could be in the position. Mariano
was given, in return for his services, a 10% interest in
the stock, which he could sell when he wanted to.

He was judge other people by herself," thought
Alien. "No wonder Uncle Theodore despises her."

But aloud she said, "I don't feel I shall be happy
