A BIBLIOGRAPHICAL INFORMATION BANK IN PATRISTICS: This project, begun by a small group of Laval University scholars, is proceeding with the enormous task of gathering information for a comprehensive computerized information bank of patristic bibliography. At the moment the pressing task is to compile information from journals and other works published prior to the appearance of Bibliographia Patristica. The collaboration of scholars willing to work through back issues of journals in the field for this project is invited. Interested persons should communicate with Maurice Lebel or R.-Michel Roberge, Faculté de Théologie, Université Laval, Québec, Qué.

Fees: Fees cover the period from one Annual General Meeting to the next (i.e. May 1978 - May 1979). Those who paid their fees at the last Meeting or during the preceding 4 months are considered paid-up for the 1978-1979 period. Others are requested to remit the current fee of \$8.00 by cheque or money-order payable to the Society, care of the Treasurer,
