1. Executive meeting, Toronto, Oct. 31, 1981.

These are the main topics directly interesting all members:

1) G. Hudon, Program Chairman for our meeting in Ottawa (June 4-5) with the Learned, reported on the national planning meeting held at the University of Ottawa to put the last touches on the general organization of this year's Learned Societies Conference. 2) Dates of meeting for our Society, just indicated, are unanimously ratified. 3) We worked on the details of our schedule: possibility of joint meeting with other Societies; determination of a special topic for papers. 4) Discussion of forthcoming elections to our Executive. 5) Discussion of possible links with l'Association Internationale d'Etudes Patristiques. 6) In his report the President gives information on the still current tractations for our affiliation with the CFH/FCH.

2. Notre Répertoire.

Grâce au dévouement de P. Gray il est maintenant distribué dans toutes les Institutions d'enseignement supérieur du Canada, aux organismes gouvernementaux qui ont des rapports avec nous, de même qu'à la direction des Patristic Conferences d'Oxford. Thank you, Patrick !
