NOUVELLES DE NOS MEMBRES  
NEWS FROM OUR MEMBERS

Leo C. FERRARI, Saint Thomas University

I seem to be in international demand these days. During the summer I received a request from *Augustinus* for permission to translate into Spanish for publication the Master Theme Paper I delivered at Oxford in August, 1987. The paper is: "Saint Augustine's Conversion Scene - The End of a Modern Debate?". I also received a request from *Augustinian Studies* for an article for inclusion in the commemorative volume: *Collectanea Augustiniana*. As a result, "Truth and Augustine's Conversion Scene" is now in press. Finally, *Augustiniana* invited a contribution for a special volume marking the retirement of its long-serving editor, Rev. T. van Bavel. Consequently, I am presently working on "Isaiah in the Early Augustine Writings."

Matthias F. WAHBA, Cranston, RI

Publication: *The Doctrine of Sanctification in St. Athanasius' Paschal Letters*, Foreword by the Right Reverend Bishop Kallistos of DioKleia. Faggala, Cairo and Cranston, RI: The Holy Virgin Coptic Orthodox Church and St. Mary & St. Mena Coptic Orthodox Church of Rhode Island, 1988.
